

XU

Economy Undercounter Dishwasher W 575mm x D 600mm x H 845mm

Washtech's XU is a versatile, highly efficient, simple-to-use and easy-to-maintain undercounter dishwasher. With one of the industry's lowest water consumption rates along with leading rinse heating, the XU provides excellent wash results in less time, while being light on operating costs and the environment.

The XU features Washtech Hybrid Controls which combine IP65 stainless switches, tried-and-tested switchgear, with a customisable electronic timer.

Since 1981 Washtech dishwashers have been constructed from heavy-duty stainless steel, and are engineered specifically for Australian conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your Washtech dishwasher will not let you down.

Standard Features

- QuikStart 1 and 2 minute wash cycles
- Washes up to 1,080 plates per hour/1,500 glasses per hour
- Low hot water consumption of 2.2 litres per cycle
